pecially skilled labor. Neither will If there be any wisdom in experiseek employment in a State dishon- ence, then we certainly have the ored and insolvent. Capital is sensi- lesson-let us act upon its teachtive and skilful laborers are honest; ings. Let us proceed at once to hence both will shun us-our lands lay the hand of public demand upon see no reason why women should "If I pick you up, I fall; if I fall will have but little value, and our such men as will make competent bowels of the earth, and we will be tors of our State officials. Let us left without the aid of additional demand their services and take no tax paying labor and capital, alone denial. And going a step farther,

The approaching canvass is no time for fooling or pulling the wool over the eyes of the people. It is but right, therefore, that the disorganizers who propose to revive the discussion of the funding billthat great iniquity as they style itwhen rightly informed; let them know, then, how that bill has wrongthey would be, but for that infamous fraud. They want facts, specifications, names, not heedless assertion and idle declamation. They ought The financial condition of Ten- to be told explicitly what and how nessee is a subject that at this mo- many fraudulent debts were legalof them wanting to leave the old worship with the Egyptians 2,000 he did so, his foot hit the foot of a 'All full, Mrs. McGrinnis. Ye can but a sense of the importance of draw distinctly the line between the the questions that will be presented legitimate and illegitimate debt of The issue of State credit will be not become criminal by its applica-

A man in Decorah, Iowa, got ages, and recovered \$9,500, which was probably twice as much as she closely interwoven with every chord expected to get. And ever since then, whenever a man around there starts down town, his wife follows him to the front door and tenderly eays: "Jeems, it look zift was gwine to be monsus cold on terwards the shank o' the evenin', and as you'll naturally be tol'rable tired agin that
